*Erasmus+ lecture*

## »Discover the story behind the European Union — from post-war reconciliation to today's complex political and legal structure.«

**Friday, 21. november 2025**

**10:00**

**Nova univerza**

**Lecture Hall P5**

**Mestni trg 23, Ljubljana**

This lecture traces the evolution of European integration: from the visionary ideas of Churchill, Schuman, and Monnet, through the founding of the European Communities, to the transformative treaties that shaped the modern EU. Students will gain insight into the historical, economic, and legal milestones that built Europe's unity, peace, and shared identity.
