**NOVA
UNIVERZA**

These courses consist of lectures, seminars, tutorials, individual studies and examinations or other assessment activities. Courses are given in the winter or summer semester; exams may be taken after the end of the course. We reserve the right not to organise lectures in a course, for which an insufficient number of students has applied (as a rule: 5). However, even in such a case, individual consultations shall be given to interested students and an exam may be taken.
