European Academic Forum of the Jean Monnet Chair

“Challenges and Opportunities for the Future of Europe – a View from Spain”

Dear Colleagues and Friends,

Tuesday, 21 November 2023

14:30 – 16:00 (CET)

Mestni trg 23, Ljubljana

you are cordially invited to the 19th European Academic Forum organised by the Jean Monnet Chair of the New University, dedicated to

“Challenges and Opportunities for the Future of Europe – a View from Spain”

From 1 July to 31 December 2023, the Kingdom of Spain is holding the presidency of the Council of the EU, already for the fifth time in its history.

What are the Spanish priorities and how does this important Member State, which has since its accession to the then European Communities, almost 40 years ago, made such an admirable progress, see the current state of the EU affairs and, more importantly, its future? How has the EU changed Spain over these decades and what would this country, in particular, like to contribute to Europe in the future?

These and other questions will be discussed during this episode of the European Academic Forum with his excellency:

Mr Juan Aristegui Laborde, the Ambassador of the Kingdom of Spain

Please confirm your attendance at the forum no later than November 17, 2023, [HERE](#).

With best wishes,
prof. dr. Matej Avbelj
