Dear Colleagues and Friends,

you are cordially invited to the **25th European Academic Forum** organised by the Jean Monnet Chair of the New University, dedicated to

.....
Tuesday, 28 May 2024
.....

14:00 – 15:00 (CET)
.....

ZOOM
.....

“(Ab)use of (National) Constitutional Identity in a Pluralist European Union”

Matej Avbelj will host two prominent speakers:

Kriszta Kovács, **WZB Berlin and ELTE University**, the editor of [The Jurisprudence of Particularism: National Identity Claims in Central Europe](#)

Julian Scholtes, **University of Glasgow** and the author of [The Abuse of Constitutional Identity in the European Union](#)

This European academic forum brings together the authors of two books which critically discuss the legal and political claims to national constitutional identity also as a means of opposing the enforcement of EU law against the affected Member States. When are such claims legal, legitimate and who is to decide about this in a legally and politically pluralist EU? In short, where does the justifiable use of the national constitutional identity stop, and the abuse begins?

Please confirm your attendance at the forum no later than May 23, 2024 [HERE](#).

With best wishes,
prof. dr. Matej Avbelj
